Title: **In The Moment**Artist: **PAT BIANCHI**

Capable of everything from vibrato-laden intimate murmurings to sermonizing at a roaring volume, the jazz organ can sometimes be strangely dispiriting - like being stuck at a bar with a non-stop talker. PAT BIANCHI will have none of that, eschewing all the clichés and displaying the instrument's versatility with a setlist that ranges from Chick Corea to Patsy Cline to Monk and Billy Eckstine. For this, Bianchi's first recording on Savant, the leader has brought along a number of friends and colleagues including PAT MARTINO, JOE LOCKE, CARMEN INTORRE, JR. the late, lamented KEVIN MAHOGANY and others making for an extra-special debut recording.

Title: **Montreal Memories**  
Artist: **FRANK MORGAN & GEORGE CABLES**

Jazz duo recordings can provide an exceedingly wide range of musical expression including but not limited to, profundity, humor, tenderness, introspection, exuberance and a whole host of others which can all change at the drop of a flatted-fifth. This type of mercurial interplay is on full display on this live gig from the Théâtre Port-Royal in Montreal, Canada. Morgan and Cables played together frequently and their improvising is imbued with an almost telepathic communication. Cables' large piano tone is the perfect accompaniment to Morgan's slightly dry, Bird-like sound. At the same time, their spontaneity and sheer joy of music making succeeds in even making the chestnut "All the Things You Are" sound fresh and newly wrought.

**TRACKLISTING:**

1. Now's the Time
2. All the Things You Are

John Campbelljohn, n°1 du Blues au Canada, live enregistré dans sa ville natale, Halifax!

Le pur Blues Feeling authentique est notamment mis en valeur dans cet enregistrement live intimiste, riche d'une énergie fabuleuse née des interactions entre ses musiciens.

Son jeu de guitare est, dès le départ, admirablement clair! Ce n'était pas en vain que le magazine Rolling Stone considérait le guitariste slide comme un artiste fascinant.

« La magie des enchaînements de cet homme de scène fascine » Rolling Stone

Bien sûr, le grand-père de Munich se concentre constamment sur la magie du vaudou et l'interaction de plusieurs sophistications, ce qui rend sa musique incroyablement forte en offrant non seulement des grandes mélodies, mais également des moments intimes et rêveurs.

Pas au moins le médecin prescrit un bon sens de « tongue-in-cheek » qui doit être inclus!
